LAST MEETING:

ANNOUNCEMENTS:

Annual Scholarship Pancake Breakfast will be held at the Paonia Teen Center on June 21. Tickets have been distributed to all members.

D. G. WALLY MILLER awarded member recruitment discs and pins to Glen Dahlgren who recruited Ken Butcher and Sarah Bishop who recruited Sharon Compton.

PROGRAM:

D. G. WALLY and his wife, Charlotte, delayed his visit to the club

until today because he injured prior to the planned August visit.

Wally has been a member of 6 different Rotary clubs and has 39 years of perfect attendance. He said it is a pleasure to share a meal with friends at Rotary, but we really are here to serve.

He then pointed out this year's theme of Rotary International:

Why did you join Rotary? What keeps you here? Ask yourself that occasionally.

I stay in Rotary because it gives me the opportunity to serve. I think about helping poor people. How many lives did your club change over the past year? He praised the club for its eight to ten \$2,000 scholarships per year. How many lives did we change?

What really needs to be done in our service area? Adopt some causes or needs that really need to be fixed.

When recruiting new members, be sure to be able to and to show them what we have done.

He encouraged us to do joint projects with other Rotary clubs.

Get involved in one of the 17 Rotary Action Groups —they are fun and get work done for Rotary.

There are lots of ways to engage Rotary to do good in the world.

Think about Rotary every day.

Editor's note: I heard him say the he had 10,000 flight hours in the Air Force and that he has 2 sons in Rotary, one a retired 3 star general, and the other an active general. I'll bet there is not another person on earth that can say that!

TODAY:

KIT STEVENSON about the Hotchkiss Seed Library.

What material success does is provide you with the ability to concentrate on other things that really matter. And that is being able to make a difference, not only in your own life, but in other people's lives.
